A search warrant, issued in the State of Florida, 12th Judicial Circuit on September 14, 2021, was executed at the North Port Police Department ("NPPD") at approximately 4:45 PM on September 14, 2021. The search warrant was specifically executed on a 2012 white Ford Transit minivan, Florida Tag QFTG03, VIN: NM0LS7AN7CT121165. The search warrant was executed by members of the Tampa Division Evidence Response Team ("ERT"). For a list of individuals participating in the search, refer to the sign-in log.

Prior to the commencement of the search, an operational brief was conducted and all members of the search team were apprised of the pertinent facts of the case. Additionally, all members were instructed to review the vehicle search warrant and sign/initial same.

The vehicle was located in a vehicle bay inside the NPPD facility, 4980 City Hall Blvd, North Port, FL 34286. NPPD released custody of the van's keys to SA [REDACTED] who signed for same.

The reference to [REDACTED] was regarding [REDACTED] which per the [REDACTED] the subject never called [REDACTED] [REDACTED] was now very concerned that something was wrong [REDACTED]. b6 b7C
6. This was the last communication anyone had with the subject. Her cellphone was no longer operational, and she stopped posting anything on social media about their trip. Per [REDACTED] this was not normal behavior for the subject, and they became even more worried about her. b6 b7C
7. On September 11th, 2021 the subject was entered as a missing person by the Suffolk County Police Department in New York. Based on the reports from the Moab City Police Report, it appears the subject is also endangered, due to mental health concerns.
8. On September 11th, 2021 the subject's van, a white Ford Transit, bearing Florida tag QFTG03, was located at her address at [REDACTED]. Per the license plate reader installed at the Sumter Blvd. exit of Interstate 75, her vehicle entered the City of North Port on September 1st, 2021 at approximately 10:26AM. b6 b7C
9. [REDACTED] the subject was not at the residence and [REDACTED] did not know her whereabouts. [REDACTED] speak with law enforcement and directed the officers on scene to speak with [REDACTED]. Brian Laudrie was not seen at the [REDACTED] address either and it could not be verified who drove the subject's van back to Florida.
10. [REDACTED] agreed to turn over the subject's van to the North Port Police Department for safe keeping and it was towed to the secured sallyport by [REDACTED]. At the time of contact with [REDACTED] had no objections about the b6 b7C

vehicle being towed and even moved [REDACTED] out of the way of the van to expedite the process.

11. On 09/12/21, an emergency ping was also requested for the subject's cellphone, through T-Mobile.com, which yielded negative results. The ping showed the subject's cellphone was not working within the last 48 hours. A historical cell site search warrant was granted on 09/13/21 by the Honorable Judge Krug for the subject's cellphone, which was submitted on the same date for exigent circumstances.
12. Based on the totality of the circumstances related to the subject's mental health, and the fact that her vehicle was located in North Port without any sightings of her, I believe there is probable cause to believe that the subject is unable to care for herself due to her increased anxiety. Due to this behavior, our concerns for her welfare have reached an exigent level. Her cellphone has been turned off for approximately 15 days and there have been no sightings of her since August 27th, 2021. There is also no cooperation from her boyfriend, Brian Landrie [REDACTED] which has also added to the exigency to search her vehicle, which may lead to her whereabouts.

Your Affiant believes this motor vehicle Infotainment System and related storage media may contain evidence identifying and linking, multiple persons to the investigation of the missing endangered person. Information captured from this device will potentially provide location data for the couple's trip, with all points of travel listed.

On the basis of the foregoing facts, Affiant believes the following evidence may be found:

EVIDENCE SOUGHT:

Vehicle event logs including door opens, gear shifts, odometer reads, ignition cycles, any location data including navigation information, saved locations, previous routes and destinations, any connected device information including devices connected to the vehicle via USB ports, Bluetooth and/or wireless networks and any other information captured by the In-Vehicle Infotainment system used to aid in the commission of the crime. Digital Information contained within the vehicle's Infotainment System.

A vehicle's Infotainment System allows a user to sync (connect and integrate communications wirelessly and/or with a cable) mobile devices to a particular motor vehicle Infotainment System. This connectivity generally allows motor vehicle occupants to perform hands-free operations such as voice calling and texting, access data streaming stream services such as music, news, weather, maps, navigation, traffic data, and other web-based information and related content. Motor vehicle infotainment systems commonly support the importing of content and other data information from a particular user's mobile device. Such data may include content that may provide user attribution to a particular user(s) that may include mobile device identifiers, telephone numbers, user accounts details, methods of payment, passwords, PIN codes, user voice

profiles and other biometric identifiers, contact lists, call logs, text messages, e-mails, pictures, videos, web history, telephone numbers, addresses and/or GPS (Global Positioning System) coordinates, and other historical navigation information. Depending on make and model of vehicle, law enforcement may be required to remove all infotainment related storage devices such as hard drives, memory boards to analyze the data. This process may render the vehicle inoperable for a period of time.

WHEREFORE, your Affiant respectfully requests that a Search Warrant be issued commanding all and singular the Sheriffs and their Deputies, the Director of the Florida Highway Patrol and his Troopers, the Commissioner of the Florida Department of Law Enforcement and his Special Agents, Constables, Federal law enforcement agencies to include the FBI, Municipal Police Officers and State Attorney's Investigators all acting within their jurisdiction, either in the day time or night time, as the exigencies of the occasion may demand or require, or on Sunday, or holidays with proper and necessary assistance to search the above described vehicle and seize as evidence any of the above described items or other any other evidence, implements or devices relating to the subject matter of this warrant that could be used in further violation or have been used in violation of the laws of the State of Florida in order that evidence may be procured to be used in the prosecution of the Criminal Laws of the State of Florida.

SARASOTA COUNTY, FLORIDA

SEARCH WARRANT
AFFIDAVIT & APPLICATION
(VEHICLE)
NPPD CASE # 21-052813

BEFORE ME, a Judge of the Circuit Court, personally or by sworn attestation appeared Detective [REDACTED] a duly sworn law enforcement officer of the North Port Police Department, State of Florida, who after being first properly sworn, deposes and says that he/she has probable cause to believe and does believe that the laws of the State of Florida have been violated, to-wit:

The laws pertaining to missing endangered persons controlled by Florida State Statute 937.021, in regard to w/f Gabrielle Venosa Petito (DOB 03/19/1999).

That the officer has reason to believe and does believe that evidence connected with the investigation is currently located within the below listed vehicle.

The description and location of the vehicle to be searched is as follows:

2012 white Ford Transit minivan bearing Florida tag QFTG03 and having the assigned VIN, NM0LS7AN7CT121165. The vehicle is stored in the secured crime scene sallyport at the North Port Police Department, which is located at 4980 City Hall Blvd., North Port, Florida 34286.

The aforesaid location is within the jurisdictional boundaries of Sarasota County.

GROUND FOR ISSUANCE:

The following grounds for issuance of a Search Warrant, as required by Florida Statutes exist, to-wit: the evidence sought is relevant to proving the aforesaid offense has been committed. See Florida Statute 933.02.

PROBABLE CAUSE FOR ISSUANCE:

Your Affiant has probable cause to believe that the missing endangered person's vehicle may contain evidence leading to the discovery of her whereabouts, and that evidence may be discovered for the following reasons:

Your Affiant is a Detective/Officer with the North Port Police Department and is currently assigned to the Criminal Investigations Division. Your Affiant has been a police officer for approximately [REDACTED] years and has been assigned to the [REDACTED]. Your Affiant is charged with the responsibility of investigating crimes against person and property and in the investigations of missing persons.

This detective/officer believes probable cause exists for the following reasons:

1. The subject/vehicle owner, Gabrielle Venora Petito and her boyfriend, Brian Laundrie, left from New York state sometime in mid-June 2021 for a vacation to Utah, traveling to a variety of National Parks along the way. While they were on their trip, they documented some of the events on a YouTube video, "VAN LIFE: Beginning Our Van Life Journey."
2. During the trip the subject sent almost daily text messages and had many phone call conversations with [REDACTED]. During these conversations there appeared to be more and more tension between the missing subject and Laundrie.
3. On 08/12/21, a report was generated by the Moab City Police Department, Moab Utah, reference a domestic disturbance between the subject and Laundrie. In the report Ofc. [REDACTED] "After evaluating the totality of the circumstances, I do not believe the situation escalated to the level of a domestic assault as much as that of a mental health crisis." Ofc. [REDACTED] stated that the subject was having a severe case of anxiety, per the subject's testimony on scene. Laundrie also told the responding officers that he was concerned about the subject because her anxiety had worsened during their extended trip.
4. On August 27th, 2021 the [REDACTED] received an "odd text" from the subject. The text message read, "Can you help [REDACTED] I just keep getting his voicemails and missed calls." The reference to [REDACTED] was regarding her [REDACTED] which per the [REDACTED] the subject never called her [REDACTED] [REDACTED] was now very concerned that something was wrong with [REDACTED].
5. This was the last communication anyone had with the subject. Her cellphone was no longer operational, and she stopped posting anything on social media about their trip. Per [REDACTED] this was not normal behavior for the subject, and [REDACTED] became even more worried about her.
6. On September 11th, 2021 the subject was entered as a missing person by the Suffolk County Police Department in New York. Based on the reports from the Moab City Police Report, it appears the subject is also endangered, due to mental health concerns.
7. On September 11th, 2021 the subject's van, a white Ford Transit, bearing Florida tag QFTG03, was located at her address at [REDACTED]. Per the license plate reader installed at the Summer Blvd. exit of Interstate 75, her vehicle entered the City of North Port on September 1st, 2021 at approximately 10:26AM.
8. [REDACTED] stated that the subject was not at the residence and [REDACTED] did not know her whereabouts. [REDACTED] refused to allow Brian to speak with law enforcement and directed the officers on scene to speak with [REDACTED] attorney. Brian Laundrie was not seen at the [REDACTED] address either and it could not be verified who drove the subject's van back to Florida.
9. [REDACTED] agreed to turn over the subject's van to the North Port Police Department for safe keeping and it was towed to the secured Sallyport by [REDACTED]. At the time of contact with the [REDACTED] [REDACTED] stated they had no objections about the

vehicle being towed and even moved [redacted] out of the way of the van to expedite the process.

10. On 09/12/21, an emergency ping was also requested for the subject's cellphone, through T-Mobile.com, which yielded negative results. The ping showed the subject's cellphone was not working within the last 48 hours. A historical cell site search warrant was granted on 09/13/21 by the Honorable Judge Roberts for the subject's cellphone, which was submitted on the same date for exigent circumstances.
11. Based on the totality of the circumstances related to the subject's mental health, and the fact that her vehicle was located in North Port without any sightings of her, I believe there is probable cause to believe that the subject is unable to care for herself due to her increased anxiety. Due to this behavior, our concerns for her welfare have reached an exigent level. Her cellphone has been turned off for approximately 15 days and there have been no sightings of her since August 27th, 2021. There is also no cooperation from her boyfriend, Brian Laundrie [redacted] which has also added to the exigency to search her vehicle, which may lead to her whereabouts.

b6
b7C

On the basis of the foregoing facts, Affiant believes the following evidence may be found:

EVIDENCE SOUGHT:

Purchase receipts from the trip, cellphones, laptop, GPS devices, video footage from the couple's trip, and blood and/or DNA. And any other evidence, implements or devices relating to the subject matter of this warrant that could be used in further violation or have been used in violation of the laws of the State of Florida, in order that evidence be procured.

WHEREFORE, your Affiant respectfully requests that a Search Warrant be issued commanding all and singular the Sheriffs and their Deputies, the Director of the Florida Highway Patrol and his Troopers, the Commissioner of the Florida Department of Law Enforcement and his Special Agents, Constables, Municipal Police Officers, State Attorney's Investigators, and Special Agents of the Federal Bureau of Investigations all acting within their jurisdiction, either in the day time or night time, as the exigencies of the occasion may demand or require, or on Sunday, or holidays with proper and necessary assistance to search the above described vehicle and seize as evidence any of the above described items or other any other evidence, implements or devices relating to the subject matter of this warrant that could be used in further violation or have been used in violation of the laws of the State of Florida in order that evidence may be procured to be used in the prosecution of the Criminal Laws of the State of Florida.

Brief Summary:

On 9/11/21 [redacted] reported to Suffolk County PD that [redacted] (all identifiers listed below) b6
Gabrielle Petito traveled to Utah and was touring National Parks with her boyfriend Brian Laundrie. [redacted] b7C
has not had contact with [redacted] since at least August 30th. Laundrie returned to his residence on or
about early September without Petito and has so far refused to cooperate with the missing persons
investigation.

Actions Taken:

SCPD Detective interviewed [redacted] The SCPD Detective also attempted to contact Laundrie with b6
negative results. SCPD Det contacted North Port FL PD to conduct welfare check at [redacted] b7C
[redacted] Upon arrival [redacted] stated [redacted] but would speak to LE [redacted] also
refused to provide a statement and referred responding officers to their attorney (listed below). Petito was
entered into NCIC as a missing person by SCPD.

North Port PD observed Petito's missing van on the property and initiated a tow. The van (listed below) was
initially taken by private tow but is now being stored in a secure PD facility. A cadaver dog will check the
vehicle.

SCPD spoke to [redacted] Brian b6
returned around Labor Day without Petito, and told [redacted] b7C
[redacted]

Agent [redacted] has spoken to [redacted] and criminal defense attorney representing the b6
[redacted] has been in contact with local news agencies to garner publicity for this matter. [redacted] b7C
has initiated a 'Find Gabby' Facebook page for the same purpose. The defense attorney [redacted] (listed below)
has stated to [redacted] that his clients will not cooperate or give statements in this matter.

[redacted] sent preservation requests to known [redacted] social media accounts for Brian b6
Laundrie and Gabrielle Petito (listed below). Petito also has a [redacted] account that have not b7C
been preserved at this time. b7E

A Guardian lead has been generated by the NYOC, [redacted] b7E

SCPD made phone contact with SLC PD regarding this matter because [redacted] believes there was a domestic b6
incident involving Petito and Laundrie while in that city on or about Aug 12. SCPD had negative results with b7C
that request. North Port is checking their databases for possible similar incidents. A FL LPR hit for the van
occurred on Sept 1.

Good morning,

Our email comms are working well, but I think it would be beneficial to have a daily conference call so the lead investigators could discuss the most recent developments and high priority taskings.

I propose we do this call **every morning at 10 AM**. We can use the below conference line. (Microsoft Teams would also work, but it seems to glitch up on occasion).

b7E

Please let me know if you are available for the call today.

b7E

Good morning all,

Thanks for this info [redacted]. I spoke to SSA [redacted] this morning and we agreed that, for the Bureau side of things, the Tampa office will open a Domestic Police Cooperation matter on this case. SA [redacted] will be the FBI case agent and assist North Port Detective [redacted] and Detective [redacted] on their state missing persons investigation. As there are no known federal charges at this point, NPPD will be the driver of this investigation and SA [redacted] and FBI Tampa will work with them fulltime to ensure they have all the support needed.

b6
b7C

In an effort to ensure we are working this matter efficiently, SA [redacted] will email out a list of Tasks that need to be done. The list will be prioritized and is not all-inclusive. If you have started or completed one of the tasks, please note it on the list. If there are other tasks not listed please add them to the list and email it back to SA [redacted]. This will greatly assist Tampa FBI and NPPD.

b6
b7C

Thank you for all the cooperation and efforts up to this point. We will continue to rely on this teamwork going forward.

Also, not sure if anyone contacted [redacted] yesterday, but I sent the attached letter to them this morning for PETITO's account information and transactions on an exigent basis. They just responded saying they'll comply and provide the records asap, when I get the records I'll forward them on.

IN THE CIRCUIT COURT OF THE 12TH JUDICIAL CIRCUIT IN AND FOR
SARASOTA COUNTY, FLORIDA

SEARCH WARRANT
AFFIDAVIT & APPLICATION
(VEHICLE INFOTAINMENT SYSTEM)

BEFORE ME, a Judge of the Circuit Court, personally or by sworn attestation appeared Det. [REDACTED] a duly sworn law enforcement officer of the North Port Police Department, State of Florida, who after being first properly sworn, deposes and says that he/she has probable cause to believe and does believe that the laws of the State of Florida have been violated, to-wit:

b6
b7C

The laws pertaining to missing endangered persons controlled by Florida State Statute 937.021, in regard to w/f Gabrielle Venora Petito (DOB 03/19/1999).

That the officer has reason to believe and does believe that evidence connected with the investigation is currently located within the below listed vehicle.

The description and location of the vehicle to be searched is as follows:

2012 white Ford Transit minivan bearing Florida tag QFTG03 and having the assigned VIN: NM0LS7AN7CT121165. The vehicle is stored in the secured crime scene sallyport at the North Port Police Department, which is located at 4980 City Hall Blvd., North Port, Florida 34286.

The aforesaid location is within the jurisdictional boundaries of Sarasota County.

GROUND FOR ISSUANCE:

The following grounds for issuance of a Search Warrant, as required by Florida Statutes exist, to-wit: the evidence sought is relevant to proving the aforesaid investigation of the missing endangered person has been committed. See Florida Statute 933.02.

PROBABLE CAUSE FOR ISSUANCE:

Your Affiant has probable cause to believe that the missing endangered person's vehicle may contain evidence leading to the discovery of her whereabouts, and that evidence may be discovered for the following reasons:

1. Your Affiant is a Detective/Officer with the North Port Police Department and is currently assigned to the Criminal Investigations Division. Your Affiant has been a [REDACTED] and has been assigned to the [REDACTED] [REDACTED] Your Affiant is charged with the responsibility of investigating crimes such as crimes against persons and property and in the investigations of missing persons.
2. The subject/vehicle owner, Gabrielle Venora Petito and her boyfriend, Brian Laundrie, left from New York state sometime in mid-June 2021 for a vacation to Utah, traveling to a variety of National Parks along the way. While they were on their trip, they documented some of the events on a YouTube video, "VAN LIFE: Beginning Our Van Life Journey."
3. During the trip the subject sent almost daily text messages and had many phone call conversations with [REDACTED] During these conversations there appeared to be more and more tension between the missing subject and Laundrie.
4. On 08/12/21, a report was generated by the Moab City Police Department, Moab Utah, reference a domestic disturbance between the subject and Laundrie. In the report Ofc. [REDACTED] wrote, "After evaluating the totality of the circumstances, I do not believe the situation escalated to the level of a domestic assault as much as that of a mental health crisis." Ofc. [REDACTED] stated that the subject was having a severe case of anxiety, per the subject's testimony on scene. Laundrie also told the responding officers that he was concerned about the subject because her anxiety had worsened during their extended trip.
5. On August 27th, 2021 the subject's [REDACTED] received an "odd text" from the subject. The text message read, "Can you help [REDACTED] I just keep getting his voicemails and missed calls." The reference to [REDACTED] was regarding [REDACTED] which per the [REDACTED] the subject never called [REDACTED] [REDACTED] was now very concerned that something was wrong with [REDACTED]
6. This was the last communication anyone had with the subject. Her cellphone was no longer operational, and she stopped posting anything on social media about their trip. Per [REDACTED] this was not normal behavior for the subject, and they became even more worried about her.
7. On September 11th, 2021 the subject was entered as a missing person by the Suffolk County Police Department in New York. Based on the reports from the Moab City Police Report, it appears the subject is also endangered, due to mental health concerns.
8. On September 11th, 2021 the subject's van, a white Ford Transit, bearing Florida tag OFTG03, was located at her address at [REDACTED] Per the license plate reader installed at the Sumter Blvd. exit of Interstate 75, her vehicle entered the City of North Port on September 1st, 2021 at approximately 10:26AM.
9. [REDACTED] stated that the subject was not at the residence and [REDACTED] did not know her whereabouts. [REDACTED] speak with law enforcement and directed the officers on scene to speak with [REDACTED] Brian Laundrie was not seen at the [REDACTED] address either and it could not be verified who drove the subject's van back to Florida.
10. [REDACTED] agreed to turn over the subject's van to the North Port Police Department for safe keeping and it was towed to the secured sallyport by [REDACTED] At the time of contact with the [REDACTED] had no objections about the

vehicle being towed and even moved [REDACTED] out of the way of the van to expedite the process.

b6

11. On 09/12/21, an emergency ping was also requested for the subject's cellphone, through T-Mobile.com, which yielded negative results. The ping showed the subject's cellphone was not working within the last 48 hours. A historical cell site search warrant was granted on 09/13/21 by the Honorable Judge Krug for the subject's cellphone, which was submitted on the same date for exigent circumstances.
12. Based on the totality of the circumstances related to the subject's mental health, and the fact that her vehicle was located in North Port without any sightings of her, I believe there is probable cause to believe that the subject is unable to care for herself due to her increased anxiety. Due to this behavior, our concerns for her welfare have reached an exigent level. Her cellphone has been turned off for approximately 15 days and there have been no sightings of her since August 27th, 2021. There is also no cooperation from her boyfriend, Brian Laundrie [REDACTED] which has also added to the exigency to search her vehicle, which may lead to her whereabouts.

b6
b7C

Your Affiant believes this motor vehicle Infotainment System and related storage media may contain evidence identifying and linking, multiple persons to the investigation of the missing endangered person. Information captured from this device will potentially provide location data for the couple's trip, with all points of travel listed.

On the basis of the foregoing facts, Affiant believes the following evidence may be found:

EVIDENCE SOUGHT:

Vehicle event logs including door opens, gear shifts, odometer reads, ignition cycles, any location data including navigation information, saved locations, previous routes and destinations, any connected device information including devices connected to the vehicle via USB ports, Bluetooth and/or wireless networks and any other information captured by the In-Vehicle Infotainment system used to aid in the commission of the crime. Digital information contained within the vehicle's Infotainment System.

A vehicle's Infotainment System allows a user to sync (connect and integrate communications wirelessly and/or with a cable) mobile devices to a particular motor vehicle Infotainment System. This connectivity generally allows motor vehicle occupants to perform hands-free operations such as voice calling and texting, access data streaming stream services such as music, news, weather, maps, navigation, traffic data, and other web-based information and related content. Motor vehicle infotainment systems commonly support the importing of content and other data information from a particular user's mobile device. Such data may include content that may provide user attribution to a particular user(s) that may include mobile device identifiers, telephone numbers, user accounts details, methods of payment, passwords, PIN codes, user voice

profiles and other biometric identifiers, contact lists, call logs, text messages, e-mails, pictures, videos, web history, telephone numbers, addresses and/or GPS (Global Positioning System) coordinates, and other historical navigation information. Depending on make and model of vehicle, law enforcement may be required to remove all infotainment related storage devices such as hard drives, memory boards to analyze the data. This process may render the vehicle inoperable for a period of time.

WHEREFORE, your Affiant respectfully requests that a Search Warrant be issued commanding all and singular the Sheriffs and their Deputies, the Director of the Florida Highway Patrol and his Troopers, the Commissioner of the Florida Department of Law Enforcement and his Special Agents, Constables, Federal law enforcement agencies to include the FBI, Municipal Police Officers and State Attorney's Investigators all acting within their jurisdiction, either in the day time or night time, as the exigencies of the occasion may demand or require, or on Sunday, or holidays with proper and necessary assistance to search the above described vehicle and seize as evidence any of the above described items or other any other evidence, implements or devices relating to the subject matter of this warrant that could be used in further violation or have been used in violation of the laws of the State of Florida in order that evidence may be procured to be used in the prosecution of the Criminal Laws of the State of Florida.

FEDERAL BUREAU OF INVESTIGATION

Date of entry 09/17/2021

On September 15, 2021 at approximately 4:50 p.m., FBI SA [REDACTED] and SA [REDACTED] interviewed [REDACTED], telephone [REDACTED]

b6

regarding her report pertaining to captioned case. The interview took place in the [REDACTED]. After being advised of the identities of the interviewing Agents and the nature of the interview, [REDACTED] provided the following information:

[REDACTED] is a [REDACTED] at the [REDACTED] in [REDACTED], set to [REDACTED] telephone [REDACTED] lives at the [REDACTED] was with her on the trip to Grand Teton National Park (GTNP) and was present for the entire below-described interaction with BRIAN (Last Name Unknown).

b6
b7C

[REDACTED] reached out to law enforcement in Florida last night (September 14) after seeing a TikTok video depicting the story of Gabrielle Petito's disappearance. [REDACTED] dropped her phone upon seeing the video - because she recognized the male as the one she and [REDACTED] had given a ride.

b6
b7C

It was August 29, 2021 at approximately 5:30 p.m. [REDACTED] and [REDACTED] were headed back to their car after stopping at the Coulter Bay Visitor Center to shower. They were driving [REDACTED]

b6
b7C

[REDACTED] A male approached them and asked for a ride to Jackson. He told them his name was BRIAN and said [I] "need to get back to my fiance." He did not provide a last name. [REDACTED] and [REDACTED] were right next to each other; she said BRIAN talked to [REDACTED], but she answered. BRIAN said he needed to get back to Jackson. He had been hiking for six days, following the Snake River, and got lost. He and his fiance were camping in an unregulated camp site, something they had found on the Internet. He left his fiance there to work on their vlog, and now he needed to get back to her.

[REDACTED] described the male as dressed in a sweatshirt, pants, hiking boots, a baseball cap, and carrying a backpack. All of the colors were dark - dark green, charcoal gray type colors. The baseball hat was an army green color. The backpack was dark gray; he told them there was a tarp in it he slept on for his camping but he did not show them. The hiking boots were dark, high, and not very dirty. He was thin, average height, dark/black beard. [REDACTED] said it stood out to her that he was not dirty, especially not for someone who had been out camping for six days. [REDACTED] said BRIAN was nice and calm when he approached them.

b6
b7C

BRIAN rode in the back of [REDACTED]. He mentioned his fiancée a couple of times but not by name. BRIAN said he and his fiancée were digital nomads, and that was how they got their money. They were also organic farmers in New York. Right now they were on a cross country trip, going wherever they wanted, traveling in a van. They had just been to Utah. BRIAN said they had a vlog and a YouTube channel but did not say which ones in particular.

b6
b7C

[REDACTED] and [REDACTED] drove south with BRIAN in the back of the [REDACTED]. [REDACTED] showed screenshots on her phone, which she and [REDACTED] had compiled since last night - to illustrate relevant locations and routes of travel. They traveled the main road south. [REDACTED] said she mentioned Jackson Hole, and BRIAN immediately wanted out of the vehicle. She said it seemed as though calling it Jackson Hole set him off but the common understanding is Jackson and Jackson Hole are in fact one and the same. She said perhaps it was because he realized Jackson Hole was south but he needed to go north. They were near Willow Flats Overlook and Jackson Lake Dam when BRIAN requested to get out. They pulled into a turn off on the right hand side of the road, and BRIAN quickly exited the Jeep. BRIAN told them he would find another ride and went in the direction of the road. [REDACTED] said when they looked again, about twenty seconds after he got out, BRIAN was nowhere to be seen. They dropped BRIAN off at approximately 6:09 p.m. - [REDACTED] confirmed because she had sent a text message to her mom saying she was okay after picking up a hitch hiker.

b6
b7C

[REDACTED] provided a map of GTNP park, marking the pick-up location, route of travel, and approximate drop-off location. Attached herein to the 1A portion of the file.

b6
b7C

BRIAN had offered to pay them \$50 - \$200 for the ride, but he did not

actually give them anything. He did not show any need or interest in food or water. He did not take anything from their vehicle.

Before approaching them at the Coulter Bay Visitor Center, [redacted] said BRIAN had been talking to an older gentleman. The older gentleman was average height, with gray hair, and was standing near a gray colored vehicle. The parking lot was not busy at that time.

b6
b7C

Agents showed [redacted] six printed photographs in an arbitrary order. Upon seeing the third photograph, she immediately responded that was the male. She viewed all six photographs and confirmed she was very confident that was the same male whom they had given a ride - it was BRIAN. She recalled his bushy eyebrows particularly. At the time they gave him a ride he had a scruffy beard (as opposed to thick like a lumberjack beard). She initialed and dated the photograph. Attached herein to the 1A portion of the file.

b6
b7C

The interview concluded at approximately 5:25 p.m.

[redacted] sent a follow-up email to SA [redacted] containing images of screenshots compiled by her and [redacted] to illustrate relevant locations and routes of travel. Attached herein to the 1a portion of the file.

Headwaters Lodge & Cabins at Flagg Ranch

John D. Rockefeller, Jr. Memorial Parkway

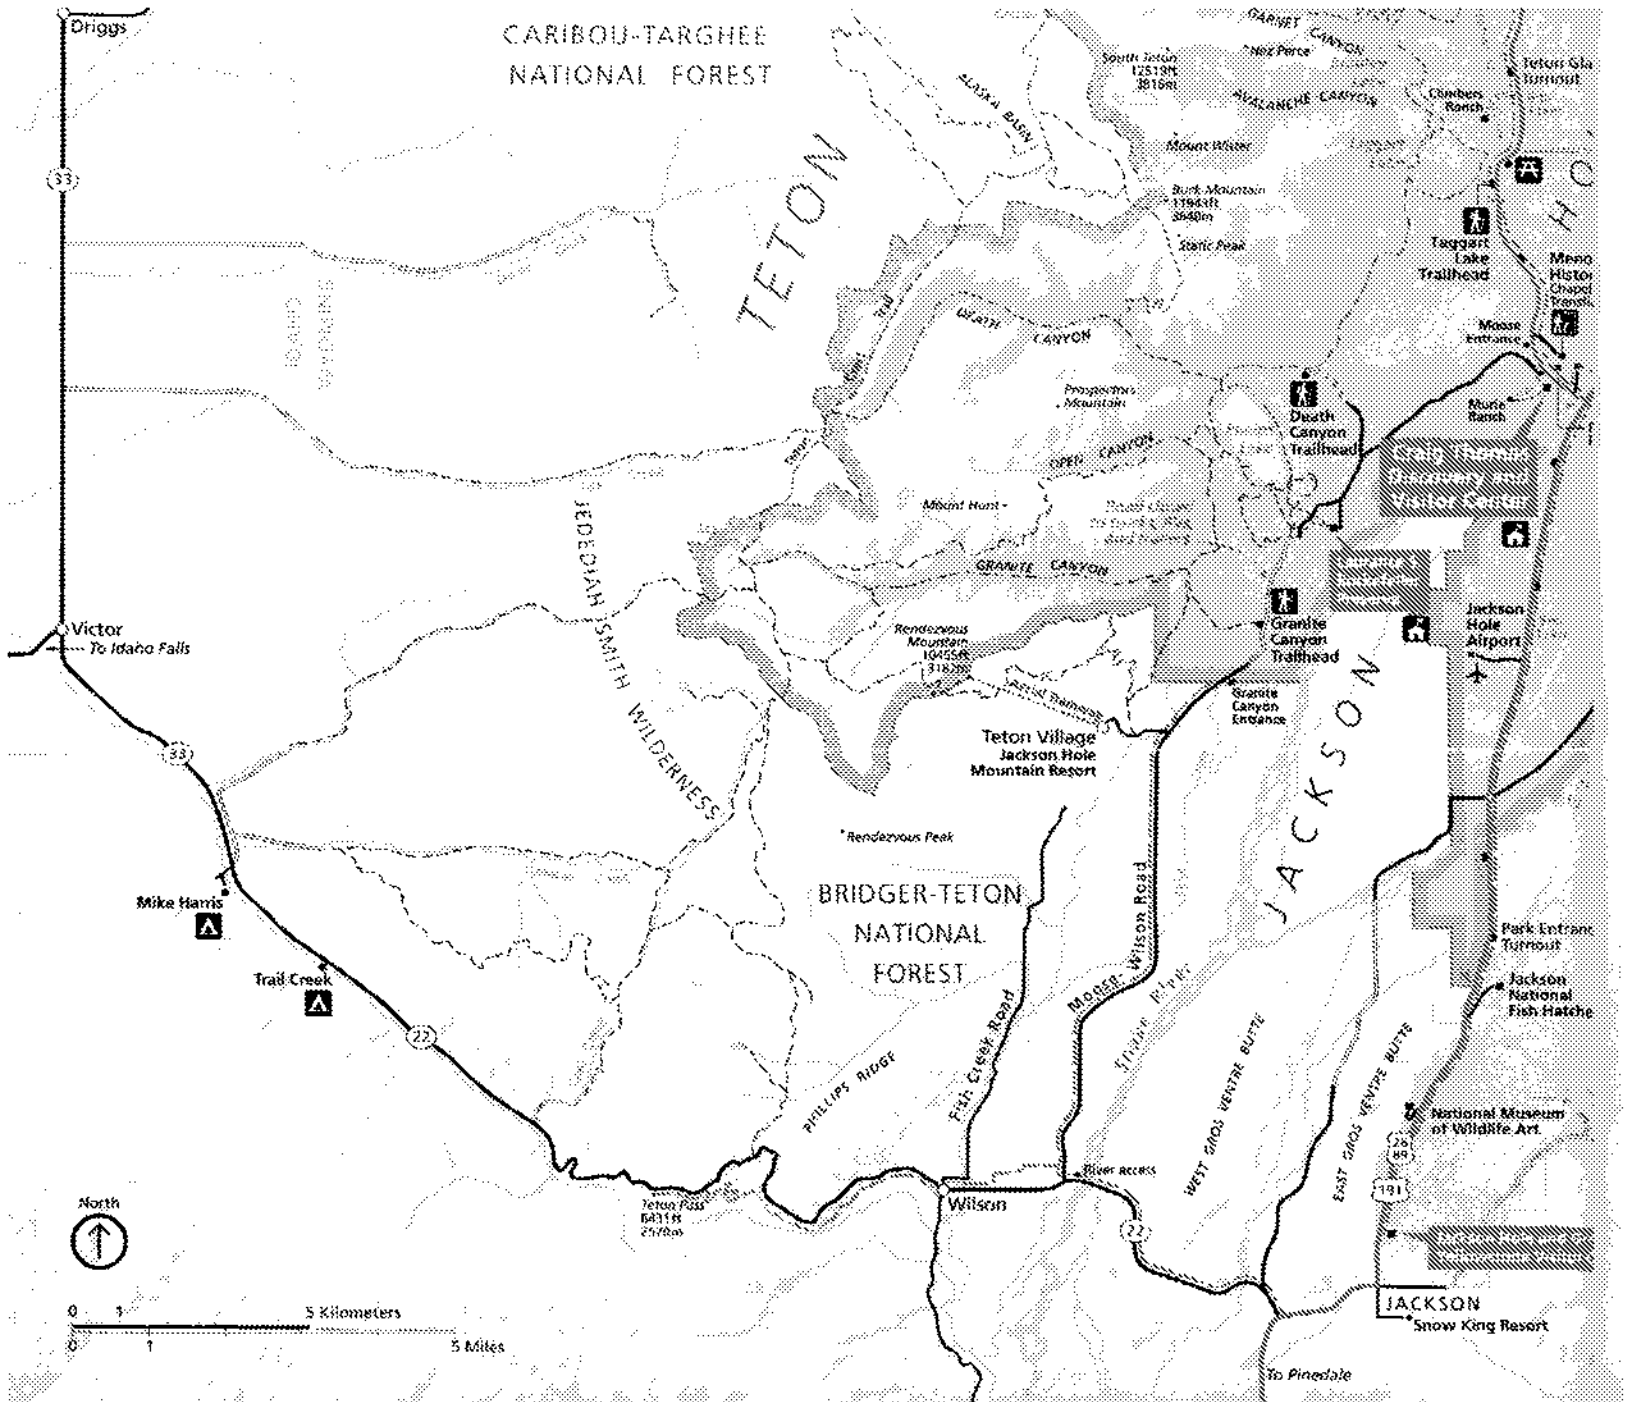

John D. Rockefeller, Jr. Memorial Parkway commemorates the many contributions to conservation by Rockefeller on behalf of America's National Park System.

Established in 1972, the parkway encompasses 24,000 acres that connect Grand Teton National Park with Yellowstone, the world's first national park.

Visiting Jackson Hole in the 1920s, Rockefeller was dismayed by the haphazard development marring the landscape. With a vision to protect the spectacular Teton scenery, Rockefeller began buying land, later donating over 32,000 acres of the valley to the federal government. His philanthropy ensured that views of the Teton Range and public access to northern Jackson Hole would be preserved for future generations.

John D. Rockefeller, Jr. Memorial Parkway lies at the center of the Greater Yellowstone Ecosystem. Recreational activities include hiking, camping, boating, and fishing. Grassy Lake Road (not paved) provides access through parkway lands to the Caribou-Targhee National Forest.

[redacted] cellular telephone number [redacted] was interviewed telephonically on 09/22/2021 in reference to a tip provided to the Kentucky State Police. After being advised of the identity of the interviewing Agent and the nature of the interview, [redacted] provided the following information:

b6
b7C

[redacted] believes that he observed Gabrielle PETITO and Brian LAUNDRIE in Moab, Utah on 08/12/2021. [redacted] family traveled through Moab during a family trip from Las Vegas, Nevada to Denver, Colorado. [redacted] and his family flew into Las Vegas from [redacted] and rented a silver colored Chrysler Pacifica with Washington State license plates. [redacted] and his

Prior to the scheduled ATV tour, [redacted] decided to travel around the area and look for a possible quick meal with the family. While driving, [redacted] passed a male and female couple with a van parked on the shoulder of the road. As [redacted] passed the van, he thought he may have seen the male slap the female. Out of concern for the female, [redacted] conducted a U-turn and parked on the opposite side of the road from the couple and their van. [redacted] and his family remained in this location and observed the couple for approximately 10-15 minutes, between approximately 4:30pm and 4:45pm, before they departed for the ATV tour.

b6
b7C

During the time [redacted] and his family were observing the couple, the male acted "like a lunatic," sporadically opening and slamming doors and pacing around the van. He seemed to be pleading with the female and at one point may have tried to hug the female, but was pushed back by her. The male ultimately pushed the female's legs into the passenger side of the van, closed her door, and entered the driver's side of the vehicle. The male subsequently put his head between his hands and both passengers appeared to

b6
b7C

[REDACTED] and his family departed the area of the couple between 4:40pm and 4:45pm, in order to be on time for their ATV tour. [REDACTED] did not observe any police responding to the scene prior to his departure. [REDACTED] arrived at Moab Tour Company a few minutes after departing and took a photo of his family. This photo of his family is time stamped at 4:51pm.

[REDACTED] and his family returned to [REDACTED] via a flight from Denver, Colorado on 08/16/2021. Initially, [REDACTED] did not think much about what he had observed in Moab. Some time later [REDACTED] learned through news stories about Petite and Laundrie, and realized that he was in Moab at the same time as them. However, [REDACTED] did not make any connection to what he had observed there until his daughter reminded him of the incident and asked him to review photos of Petite and Laundrie online. After reviewing photos, [REDACTED] and his daughter became confident that the couple they had observed in Moab were PETITO and LAUNDRIE.

AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT

I, [REDACTED] a Special Agent with the Federal Bureau of Investigation ("FBI"), being first duly sworn, hereby depose and state as follows:

b6
b7c

INTRODUCTION AND AGENT BACKGROUND

1. I am a special agent with the Federal Bureau of Investigation (hereinafter "FBI") and have been since [REDACTED]. I am an investigative or law enforcement officer within the meaning of 18 U.S.C. § 2510(7). As such, I am empowered by law to conduct investigations of, and to make arrests for, offenses enumerated in 18 U.S.C. § 2516. As an FBI special agent, I have investigated violations of federal criminal laws related to, among others, criminal conspiracies, criminal organizations, and other violent crimes. During the course of these investigations, I have coordinated the execution of search and arrest warrants, conducted physical surveillance, utilized confidential sources and undercover employees, analyzed records, analyzed information obtained from court-ordered pen register/trap and trace intercepts, and communicated with informants and subjects, as well as other local, state, and federal law enforcement officers. In addition, I have become familiar with some of the methods used by persons engaged in criminal acts to disguise the fruits of their illegal activities.

b6
b7c

2. In addition to my training and experience with the FBI, I am an attorney and have been a member of the bars of the state of [REDACTED] and the United States District Courts for the Northern and Southern Districts of [REDACTED]

3. On September 19, 2021, the Honorable Thomas G. Wilson, United States Magistrate Judge, authorized a search warrant in case no. 8:21-mj-1946-TGW regarding [REDACTED] (the "**TARGET RESIDENCE**"). The application and affidavit executed in support of the search warrant are incorporated by reference. Earlier today, the search warrant was executed. I submit this affidavit in support of an application to expand the scope of the search warrant with respect to the items to be seized.

b6
b7C

4. The **TARGET RESIDENCE** is the home of Brian LAUNDRIE. LAUNDRIE is a person of interest in an investigation into the missing person Gabrielle Venora PETITO. And on or about September 14, 2021, [REDACTED] [REDACTED] reported to law enforcement that he, too, was missing. Based on the facts discussed below, there is probable cause that the **TARGET RESIDENCE** contains evidence of federal crimes—namely, murder in the special maritime and territorial jurisdiction of the United States, a violation of 18 U.S.C. § 1111. The evidence to be seized is more particularly described in Attachment B.

b6
b7C

5. The facts I describe in this affidavit come from several sources: (1) my personal knowledge based on my participation in this investigation; (2) information obtained by way of warrant a subpoena returns; (3) information I have learned by consulting with other officers working on this investigation and their reports; and (4) information learned throughout the course of a search of the **TARGET RESIDENCE**, discussed in more detail below. Because this affidavit is being

submitted for the limited purpose of seeking authorization to seize certain items from the **TARGET RESIDENCE**, I have not set forth each and every fact about the investigation, but only those necessary to establish probable cause.

PROBABLE CAUSE

6. The search warrant was issued in connection with a missing/endangered-persons investigation initiated by the Suffolk County, New York, Police Department (SCPD). The investigation began with a report by [REDACTED] of Gabrielle Venora PETITO. [REDACTED] reported that she had not heard from PETITO for approximately 15 days, and [REDACTED] was concerned for [REDACTED]

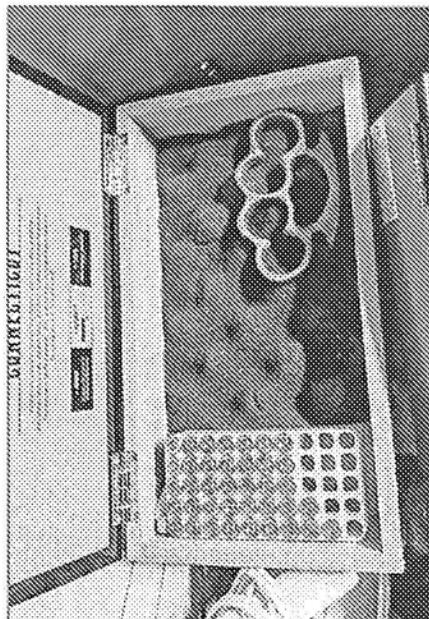

[REDACTED] This warrant authorized the search of **TARGET RESIDENCE** and the seizure of certain cellphones, computers, or other mobile devices believed to contain evidence of a violation of 18 U.S.C. § 1111, murder in the special maritime and territorial jurisdiction of the United States.

7. During the execution of the search warrant for the **TARGET RESIDENCE**, investigators observed additional items that are themselves evidence of murder in the special maritime and territorial jurisdiction of the United States. Investigators found firearm ammunition, incriminating statements in a journal, and sketches in a sketchbook.

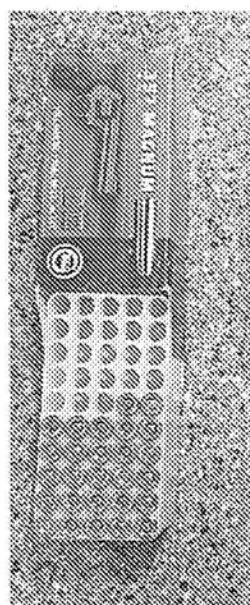

8. Investigators found approximately 115 rounds of Geco .357 Magnum ammunition, in three ammunition boxes. Two of the three boxes had been opened and were missing rounds. One box contained 38 rounds (12 rounds missing), and the

b6
b7C

other contained 27 rounds (23 rounds missing). Here are photographs of the ammunition:

38 rounds of Geco .357 Magnum ammunition located in a cigar box

27 rounds of Geco .357 Magnum ammunition located in a plastic tote

9. In an interview with [REDACTED] conducted on or about September 17, 2021, investigators learned that [REDACTED] owns three handguns—one revolver and two semi-automatic pistols. [REDACTED] told investigators that all three handguns belonged to [REDACTED] and that the other residents of the [REDACTED] neither possessed nor used the guns.

b6
b7C

10. [REDACTED] also told investigators that the revolver was missing from the **TARGET RESIDENCE**. [REDACTED] said that the missing revolver was either a “.357” or “.380.”

b6
b7C

11. During the search of the **TARGET RESIDENCE**, investigators found two semi-automatic handguns. Agents did not find a revolver.

12. The handguns and above-mentioned ammunition were found in the garage of the **TARGET RESIDENCE**. [REDACTED] advised investigators that the handguns and ammunition would be found in various plastic totes and cigar boxes in the garage, and investigators found the ammunition where [REDACTED] [REDACTED] indicated it would be. [REDACTED] also told investigators that the revolver was supposed to be in a cigar box with matching ammunition. However, as discussed above, there was no revolver in the cigar box or anywhere else in the **TARGET RESIDENCE**.

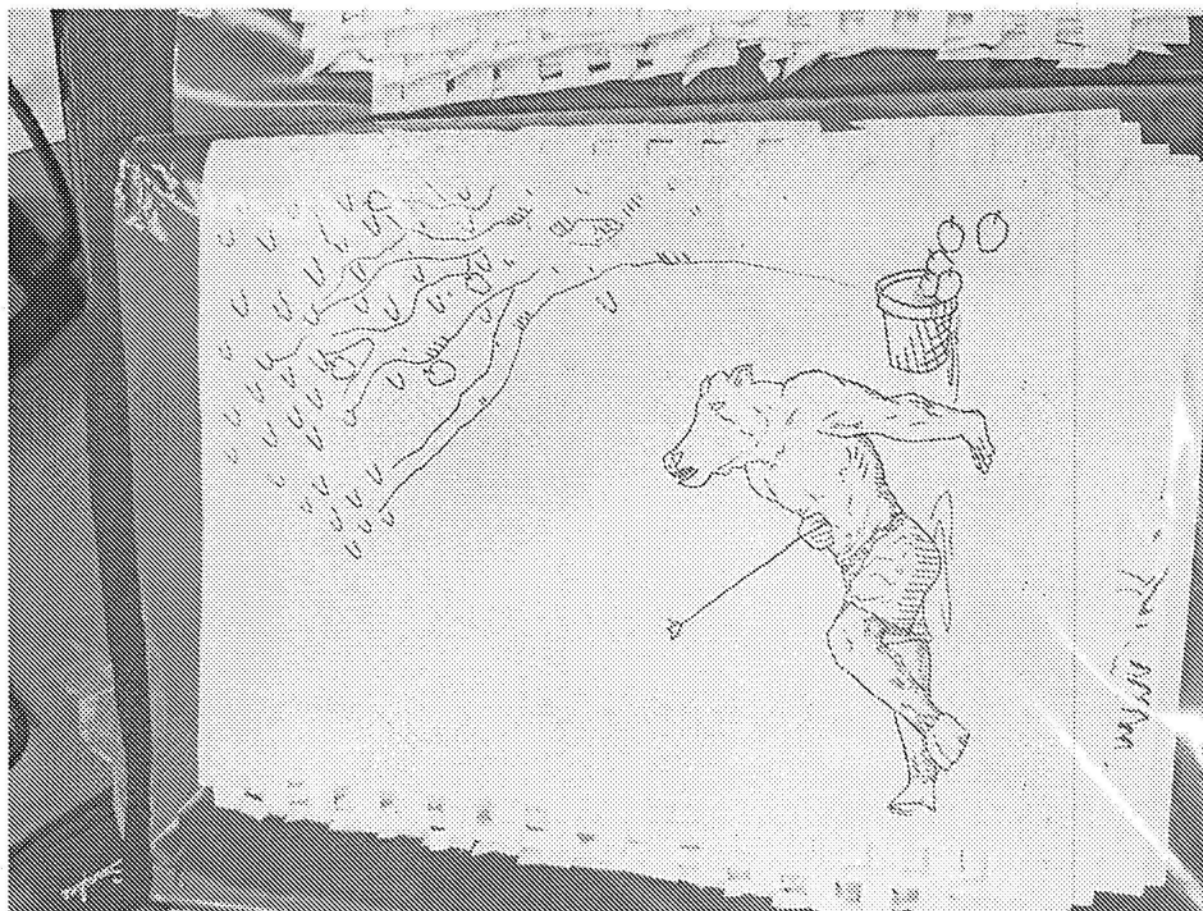

b6
b7C

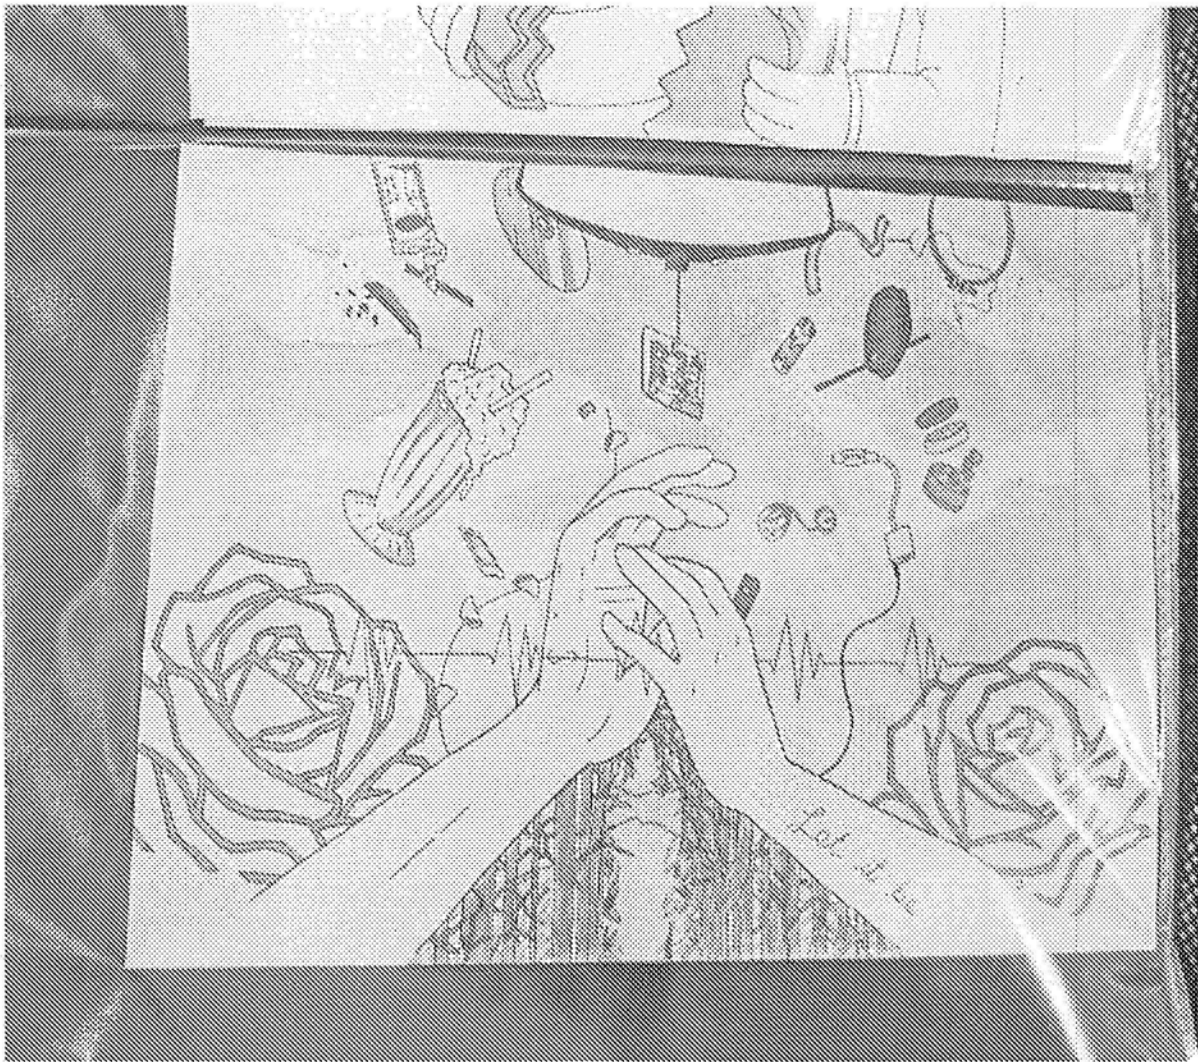

13. Also during the search of the **TARGET RESIDENCE**, in a bedroom that, according to [REDACTED] was LAUNDRIE's before his road trip with PETITO, investigators found a journal. In it were various hand-written notes and

b6
b7C

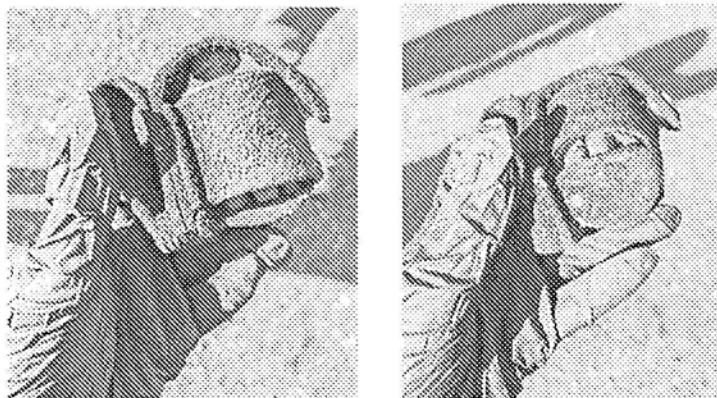

writings. On one of them, the author wrote the following: "My real options are to run off entirely on my own – buy a piece of land, or kill myself. Under the mattress I'm on, there is a loaded .357 magnum revolver. A pull of the trigger and all my problems will be over." Above this entry was a written date: October 26, 2018. Based on my training and experience and my specific knowledge about this investigation, I have probable cause to believe that this statement was written by LAUNDRIE. Based on my knowledge about this investigation, to include my knowledge of deceptive actions LAUNDRIE has taken in the past several weeks, I have reason to question the accuracy of the date listed above this journal entry.

14. In that same bedroom in which the journal was found, investigators found a sketchbook. In it were the following sketches:

15. Investigators located PETITO's remains on September 19, 2021, in the Bridger-Teton National Forest in Wyoming. Near PETITO's body, investigators found a revolver speedloader containing ammunition. Investigators at the scene of PETITO's remains have not been able to open the speedloader and gain additional information about the revolver ammunition inside it.

Revolver speedloader with ammunition located near the human remains believed to be PETITO.

16. Also near PETITO's body, investigators found two arrows.
17. PETITO had a tattoo on her forearm that read, "Let it be."
18. Due to the condition of PETITO's remains, a cause and manner of death have not yet been determined. Autopsy results are pending.

CONCLUSION

19. Based on the foregoing, I respectfully request authority to seize the items described in Attachment B.

Respectfully submitted,

Special Agent

to head back to the Ferry waiting area.

[redacted] was not sure exactly where she was on the trail when her boyfriend took a picture of her. In the background of the photograph, a male and female party were captured in the photograph. [redacted] stated that in the photograph it depicted the male party wearing a "burnt" orange shirt squatting down taking a photograph of a family. [redacted] did not know if this person was with the family or not. However, a blond haired female wearing a long sleeve top and black biker shorts stood by as if she were waiting for the picture to be taken. The photos taken (four) were time stamped at 1:47pm. [redacted] believed that the male and female party captured in her photograph may be Gabby and Brian. These photographs did not capture the faces of the two parties.

On August 28, 2021, [redacted] and [redacted] went to the Silver Dollar bar located inside the Wort Hotel. In the bar a photograph was taken and it captured a male party who appeared to be similar to Brian Laundrie. This male party appeared to be heavier than in the social media photographs she saw online.

time stamped at 1:47pm. In the photographs he took of [redacted] he captured two people who appeared to be Gabby Petito and Brian Laundrie. The photographs depicted a white female, blond hair, wearing a long sleeve shirt and black biker shorts and a unique shade of gray backpack. The females legs were exposed. The male party was wearing a "burnt" orange shirt with a black string backpack, kneeling while taking a photograph of unknown individuals who appeared to be a family. [redacted] stated that the female appeared to be Gabby, stood off to the side while the photograph was taken. [redacted] stated that on the trail it was very common for hikers to request other hikers to take photographs of each other. [redacted] did not capture the faces of the male and female party.

b6

[redacted] did not share the same belief as [redacted] [redacted] believed this male party was 30 pounds heavier than Laundrie and his ears were different.

b6
b7C

Once [redacted] and [redacted] returned home to Georgia and learned about the disappearance of Petito, they both went online and looked at Petito's and Laundrie's social media. [redacted] stated that they specifically reviewed Petito and Laundrie's Instagram accounts. [redacted] stated that he and [redacted] also reviewed all of their photos that they took while at Jenny Lake. That is when they began to notice a resemblance in clothing, backpacks, and stature of the two people they saw on the Inspiration Trail. The female party resembled Petito's hair, shorts, legs, and unique gray colored backpack. [redacted] compared the clothing in his photo to Petito's Instagram account(@gabspetito) and they were similar. [redacted]

believed that the male party captured in his photograph taken on August 27, 2021 was in fact Laundrie. [redacted] compared the photographs he took to Laundrie's Instagram Account (Bizarre_design_). The orange colored shirt and string backpack depicted in the photographs were similar to Laundrie's Instagram photographs. [redacted] stated that it appeared that both Petito and Laundrie had a small selection of clothes they packed for the trip. [redacted] noticed Laundrie and Petito were wearing the same limited selection of clothes on their social media site memorializing their road trip.

TFO [redacted] shared with [redacted] the FBI tips email address so he could share his photographs. [redacted] had photographs that contained photographs of Petito and Laundrie from a distance. FEDERAL BUREAU OF INVESTIGATION

Date of entry 09/23/2021

On September 23, 2021, at approximately 10:15 hours, I, Task Force Officer (TFO) [REDACTED] was assigned Lead 40 to follow-up with [REDACTED] [REDACTED] (DOB [REDACTED], phone number [REDACTED] called the FBI National Threat Operations Center (NTOC) to report a sighting of Gabby Petito and Brian Laundrie on August 27, 2021, near the Grand Tetons in Wyoming (70A-DN-3494764-TIPS, Serial [REDACTED]. I called [REDACTED] who related the following information:

b6
b7C

On August 24, 2021, at approximately 16:30 hours, [REDACTED] and her [REDACTED] were at the Snow Creek Saloon in Red Lodge, Montana. [REDACTED] saw a couple walking along the street outside of the Saloon who match Gabby Petito and Brian Laundrie's description. At the time, the female was laughing and seemed happy. [REDACTED] stated that they saw the same few people many times over their vacation in the Yellowstone National Park area.

b6
b7C

On approximately August 25, 2021, [REDACTED] and her husband were vacationing in Yellowstone National Park and observed a white van with a male driver and female passenger, who they now believe were Gabby Petito and Brian Laundrie. The van was parked in the parking lot for the Old Faithful Geyser in Yellowstone National Park. [REDACTED] believed that was at approximately 13:30 hours.

b6
b7C

Then, on approximately August 26 or 27, 2021, [REDACTED] believed they saw the same van occupied by Gabby Petito and Brian Laundrie traveling through the Yellowstone National Park on the west end near a town that starts with an "M", possibly "Mammoth".

On August 27, 2021, at 16:24 hours, [REDACTED] and her husband were driving on an unknown road, in an unknown direction, at an unknown location. [REDACTED] took video (time stamped 16:24) of the Teton mountain range as they were driving. About an hour later, they were continued along

the same road heading toward Jackson, Wyoming, and drove up behind the white van they previously observed in Yellowstone. The van was traveling in the same direction at a slow rate of speed. They passed the van and as they overtook the van, [REDACTED] observed the female passenger crying and "plastered up against the passenger window". Once they were past the van, [REDACTED] looked back and observed the male driver strike the female with a closed fist punch to the females back or shoulder. [REDACTED] believes the male driver was Brian Laundrie and the female passenger was Gabby Petito.

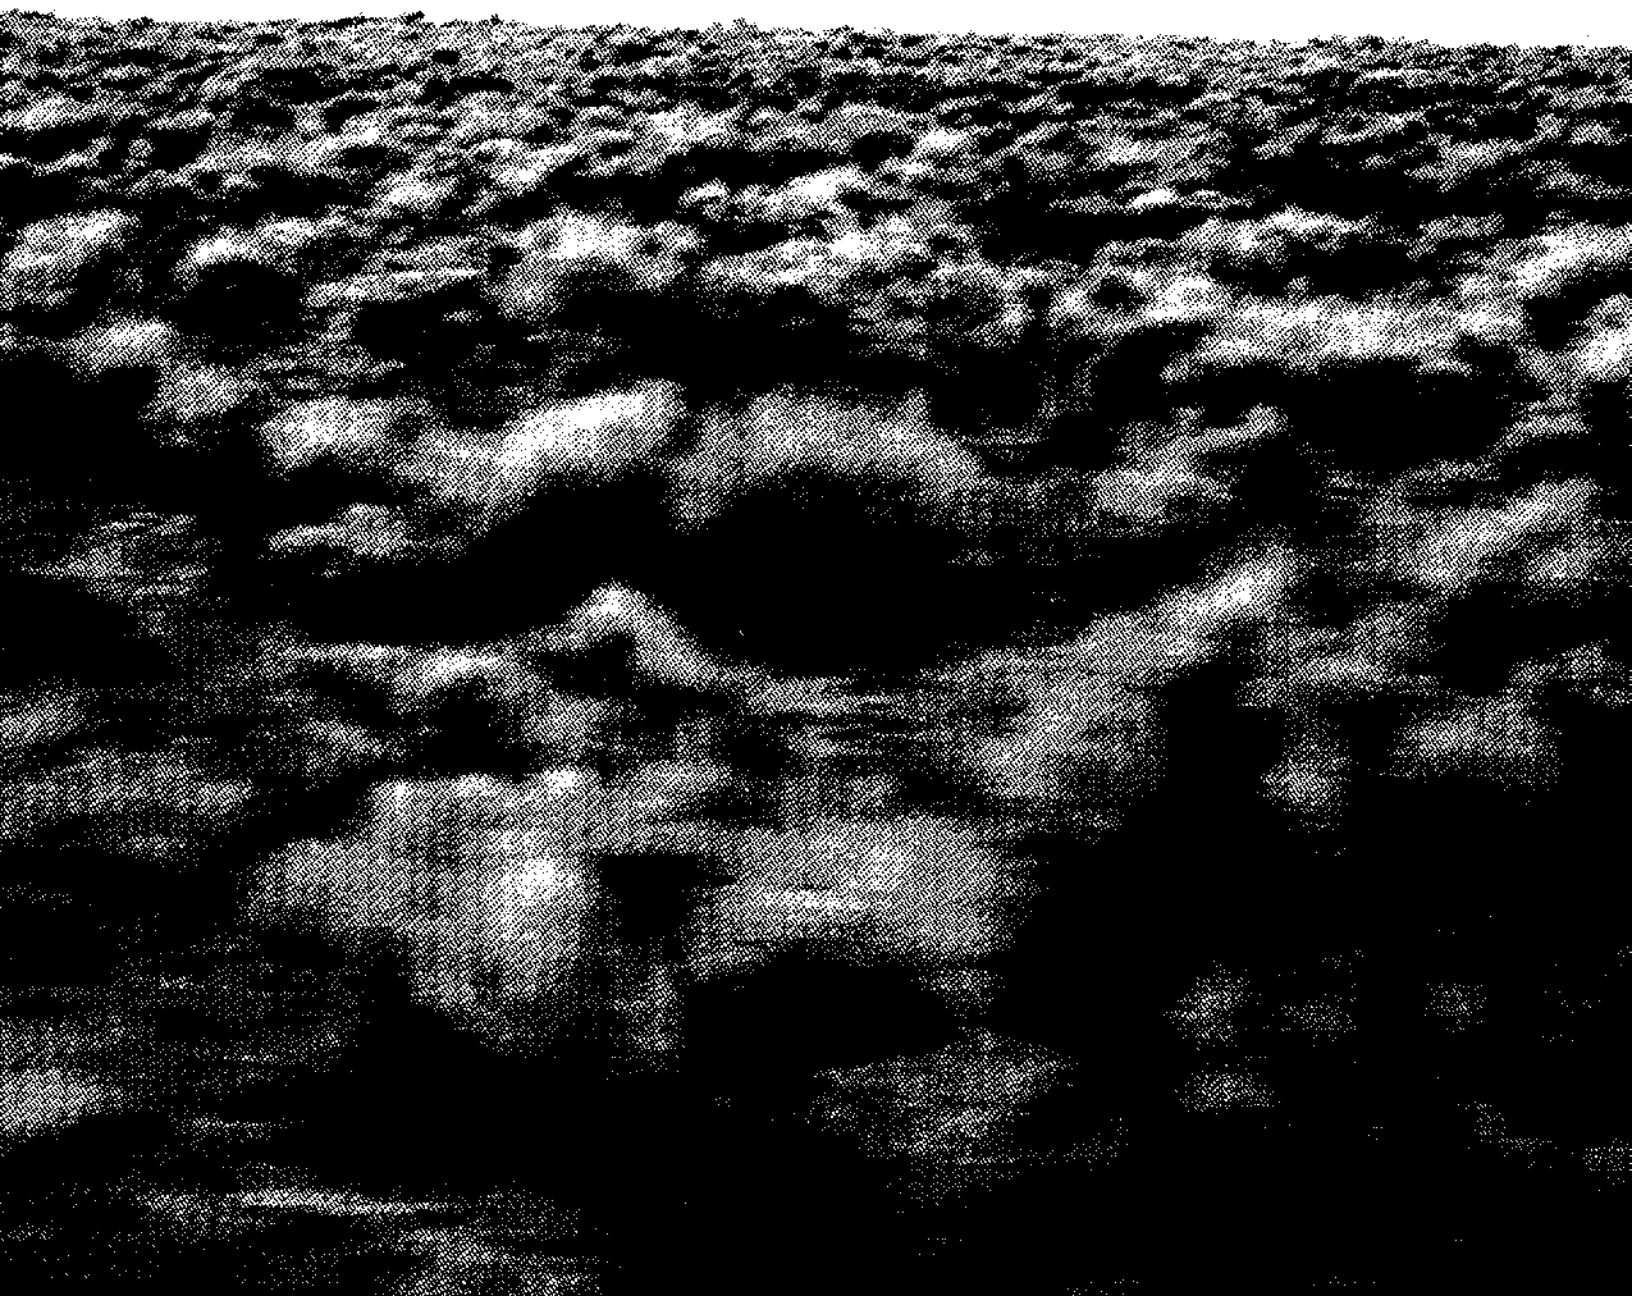

b6
b7C

[REDACTED] stated they were in an area with no cell phone service and her phone had died. At some point the white van passed their vehicle at a high rate of speed, still traveling in the same direction. [REDACTED] attempted to capture a picture of the vehicle and license plate but the van was traveling too fast and her husband did not feel comfortable attempting to catch up. [REDACTED] stated they did not report the incident to law enforcement before calling the NTOC. [REDACTED] stated her husband does not remember much from the incident and may or may not know where the location was.

b6
b7C

[REDACTED] provided 5 photographs via email. Three of the Teton mountain range which were taken in conjunction with the video. Two of the photos were of a large antler arch in Jackson, Wyoming. [REDACTED] has video she is willing to share that is too large to transfer electronically. The significance of the video and photos are to help with times and locations in relation to the incident they observed. The photos did not contain any location metadata but did contain the date and time stamp when they were captured. The photos are uploaded as a digital 1A.

FEDERAL BUREAU OF INVESTIGATION

Date of entry 09/23/2021

[redacted] date of birth (DOB) [redacted]
[redacted] telephone number [redacted] was interviewed
telephonically. After being advised of the identity of the interviewing
Agent and the nature of the interview, [redacted] provided the following
information:

b6
b7C

[redacted] traveled with her family to Spread Creek Dispersed Campground on
08/29/2021, arriving at approximately 4:00pm. While driving through the
campground area looking for an open spot, she observed a white Ford Transit
van parked in an odd location, between two designated campsites. Due to
difficult road conditions, [redacted] continued slowly by the van until
reaching campsite 13, which was the first available site. Campsite 13 was
the very last campsite and located a significant distance from the location
of the white van. [redacted] estimates that the white van she had observed was
parked approximately near campsite 5. [redacted] and her family ended up
staying at campsite 13 since campsites 1-12 had all been taken prior to
their arrival. [redacted] ultimately concluded that the owner(s) of the
white van might have gone fishing in the nearby water or established a
campsite in an undesignated spot near where the van was parked.

b6
b7C

[redacted] did not see or hear anything unusual on the evening of
08/29/2021. She did go out for a walk in the area that evening, but did not
travel toward where the white van had been parked. [redacted] only encountered
one other person while on the walk, a person riding on a motorcycle.

b6
b7C

[redacted] departed campsite 13 at approximately 8:30am on 08/30/2021.
Still curious about the van, [redacted] paid attention to the area where she
had observed it the evening before. [redacted] is confident that the van was
no longer parked there at the time of her departure. [redacted] does not
recall seeing anything particularly suspicious in the area of the van on the
evening of 08/29/2021 or morning of 08/30/2021.
